Bestelle dein Haus, denn du wirst sterben". Giorgio Panariello

1. Jay's story is also quite unique on a par with the other four stories but he constructs a wondrous short-epic journey through a man's life, spinning all manner of emotions in such a short number of words. There is no lead to women in Italian literature though there are some useful discussions, e. We are keen to challenge children as readers of our work and continue to push the boundaries of traditional publishing by offering great original literature.
