## **Message In A Bottle**

How important is Chinese lending to the region today.

## **Own Your time: Professional Time-Management Strategies for a Profitable and Balanced Life**

While one popular mode of looking at Asian and black Americans relationally in the postwar era is to compare the success of Asian American assimilation to the failure of black Americans, Lim argues that such a mode of comparison cannot account for the ways in which Asian American racialization takes places within the global currents of militarism and migration. For Mao Zedong the basic contradiction was foreign imperialism with landowners vs the people, students-peasants-workers.
