More related to self-actualization. Finally, a successful lawyer would build up a network of political connections, which is important now but was even more important in Cicero's time, when political competition was not conducted along party lines or on the basis of ideology, but instead was based on loose, shifting networks of personal friendships and commitments.

Somehow, I absorbed that this was something really essential and important. I agree with the advice except the heat lamp when your temperatures drop. The second version is very close to an actual quote by Joseph Goebbels. Attendre, erdjou, erdjir', irdja, h. The next morning we ate our cold breakfast.
