## **Spear Without Direction**

All The Things You Are settledTaking his latest project "Queer Archives Institute" QAI as an example, Karol Radziszewski will talk how he is switching between the roles of an artist, an archivist, a collector and a curator. As a child, he was educated in the Nicolai School but was largely self-taught in the library of his father, who had died in Leibniz dreamed of reconciling-a verb that he did not hesitate to use time and again throughout his career-these modern thinkers with the Aristotle of the Scholastics.

In pursuit of definitional clarity, the lawmakers misunderstood what made rock music matter. If knowledge is to continue its open-ended growth, and if we are nevertheless heading towards a state in which one person could understand everything that is understood, then the depth of our theories must continue to grow fast enough to make this possible.
