But you know, Christmas is about more than just presents. Responding to Owen's concern over the charge of irrelevance of a seemingly esoteric anatomical study, Sir Anthony Carlisleone of the last surviving Hunterian students, and a major force in the college and its museum, wrote that he should not mind the criticism: It is an excellent specimen of the Hunterian-Cuvierian Natural History, but, as I at first foresaw, your pearls are thrown before swine.

Tackle students' biggest barrier to complex text: word knowledge In our rush toward complex texts, somehow we forget to put a new systematic vocabulary plan in place. Sometimes they trailed the new owners; these happy mortals were most often only underlings, antique-dealers' buyers, private secretaries, straw men. The phrase "proceeds of labor", objectionable also today on account of its ambiguity, thus loses all meaning.
