Tibetan Environmentalists in China: The King of Dzi (Studies in Modern Tibetan Culture)

Gracious lyricism is the predominant mode. This work is an invaluable account of the musical and personal life of a rebellious, romantic musician who struggles to survive and prosper in the artistic world of the monarchy of Louis-Philippe, characterized by its conservative, academic institutions.

Writings 2

There is an Open Access version for this licensed article that can be read free of charge and without license restrictions. This freed me up for other investments, like print versions of different books, and testing more extensively on Amazon to open that market.

The Nature of Prosperity

One of the book's main pleasures is its humor: the famous nose-growing passages, the flight of the puppet's breakfast in chapter five, and the frequent manifestations of his gullibility are all cases in point. However, Bongor added, it is not only egoism but also the poor cultural upbringing .
