What I experienced was more akin to chiseling, as if all that had happened was stone, and I had only faith and a small bit of metal to find the shape, to tap out the places where meaning might lie. I expect there to be an argument about who will guard the prisoners, but Civil Affairs all of a sudden seems happy to hang out with .

The human capacity for culture is based on our genes. While many of Freire's readers and critics speculate that Freire assumes a substance metaphysics that reifies some types of human nature, other interpretations assume a Hegelian process metaphysics.
